ABU SAYEED, MSc

icddr,b Official website: Abu Sayeed
shuvo.nfs.pstu@gmail.com & abu.sayeed1@icddrb.org
ORCID: Abu Sayeed ResearchGate: Abu Sayeed Google Scholar: Abu Sayeed
Linkedin: Abu Sayeed

1. Summary

a) Research Experience: **8+ Years**
b) Grant portfolio: PI/Co-PI:- **$38K**; Co-I:- **$1.85 M**
c) Publications: 6**0+**
d) h-index: **23**
e) i10-index: **34**
f) Citations: **2600+**
g) Academic Editor, PLOS ONE and PLOS Global Public Health

2. Career Objective

To obtain a challenging and rewarding research position where I can apply my expertise in research methodology, data analysis, scientific writing, and project implementation while pursuing my PhD, and contribute to impactful research, collaborate with multidisciplinary teams, and further strengthen my expertise in Public Health Research.

3. Professional Experience **8+ Years**

International Centre for Diarrhoeal Disease Research, Bangladesh (icddr,b) **5 Years and 5 Months**

Maternal and Child Health Division

- **Assistant Scientist** **3 Months (July 2026 to Present)**
- Research Investigator 18 Months (January 2025 to June 2026)
- Senior Research Fellow 18 Months (July 2023 to December 2024)
- Research Fellow 18 Months (January 2022 to June 2023)
- Senior Research Assistant Five Months (August 2021 to December 2021)
- Research Assistant Five Months (March 2021 to July 2021)

Responsibilities

- Proposal Development and Grant Writing
  - ✓ Led the development of five research proposals, two of which were successfully funded
  - ✓ Contributed to the development of three additional research proposals, one of which was successfully funded
- Protocol and Tool Development
  - ✓ Served as Principal Investigator (PI) for one research protocol: AdSEARCH Research Prioritisation study
  - ✓ Served as Co-Principal Investigator for one research protocol: SCANU Death Review Study
  - ✓ Served as Co-Investigator (CO-I) in two protocols (*1. Pregnancy Cohort: Lead in Nutritional Component 2. Immediate KMC study: An Implementation study followed by a Cluster RCT*)
  - ✓ Led research tool development for one study and contributed to tool development for two additional studies
- Study Implementation and Data Collection
  - ✓ Led study implementation and data collection activities for two research studies
  - ✓ Contributed to study implementation and data collection activities for two additional studies
- Data Management and Analysis
  - ✓ Led data management and analyses for eight manuscripts, one policy brief, and multiple scientific presentations.
  - ✓ Supported data management and statistical analyses for 10 manuscripts
  - ✓ Led geospatial data visualisation using ArcGIS for research proposals, studies, and scientific presentations
- Scientific Article
  - ✓ Led the development of seven scientific manuscripts, resulting in three first-author publications
  - ✓ Contributed to the development of 20 scientific manuscripts, resulting in 15 co-authored publications
- Mentorship/ Financial Management/ Training and Capacity Building
  - ✓ Supervised one Research Trainee, one Research Officer, two Field Research Officers, and one Research Assistant
  - ✓ Mentored five interns in research activities and project management
  - ✓ Managed research budgets of up to US$20,000 as Principal Investigator
  - ✓ Conducted field visits across multiple study sites to oversee data collection and study implementation
  - ✓ Led 12 workshops and contributed to four additional workshops for health professionals and students
  - ✓ Led 7 training sessions

Patuakhali Science and Technology University **2 Years and 7 Months**

❖ *Research Assistant* *July 2018 to February 2021*

Responsibilities

- Proposal Development and Grant Writing
  - ✓ Contributed to the development of one research protocol
- Protocol and Tool Development
  - ✓ Led the development of research tools for 8 studies
- Study Implementation and Data Collection
  - ✓ Led data collection for seven research studies and contributed to data collection for five additional studies
- Data Management and Analysis
  - ✓ Led data management activities for 10 research studies
  - ✓ Contributed to data-related activities for five studies and supported statistical analyses for three studies
- Scientific Writing and Publications
  - ✓ Conducted literature reviews to support research development and scientific publications
  - ✓ Contributed to 27 peer-reviewed research articles published in international journals, including eight as first author, five as joint first author, and 14 as co-author
- Others
  - ✓ Supervised 12 undergraduate students in thesis development and scientific publication

UNICEF **6 Months**

❖ *Research Intern* *June 2016 to December 2016*

Responsibilities

- Community Nutrition Assessment
  - ✓ Contributed to the planning and design of community-based nutrition interventions
- WASH and Household Survey
  - ✓ Supported the implementation of WASH and household surveys
- Nutritional Assessment
  - ✓ Led a three-member team in assessing maternal and child nutritional status

4. Education

Patuakhali Science and Technology University, Bangladesh **March 2018 – October 2019**
Master of Science in Post-Harvest Technology & Marketing *CGPA: 3.72 out of 4.00*

Patuakhali Science and Technology University, Bangladesh **January 2014 – March 2018**
Bachelor of Science in Nutrition and Food Science *CGPA: 3.57 out of 4.00*

5. English Language Proficiency

- Overall IELTS Score **6.5** (Listening-6.5, Reading-7.0, Writing-6.5, Speaking-6.5)

6. Technical Skills & Research Competencies

- **Statistical Software:** SPSS; Stata; ArcGIS
- **Data Collecting Tools:** KoBo Toolbox
- **Documentation, Referencing and Others:** Microsoft Office (Word, Excel, PowerPoint); EndNote; Mendeley; Google Docs Editors (Docs, Sheets, Slides)

7. Projects / Study Protocols

Name of study protocols	Role	Budget in USD
• Prioritisation of Research Questions for Advancing the Understanding of Sexual and Reproductive Health and Rights (SRHR) in Bangladesh	Principal Investigator	*19,489*
• Integrating immediate kangaroo mother care into public health facilities with level 2 neonatal intensive care units in Bangladesh: An Implementation study and cluster RCT	Co-Investigator	*1,200,000*
• Advancing the understanding of pregnancy-related diseases, conditions and complications among first time pregnant women in rural Bangladesh: a prospective cohort study for assessing the burden and determinations	Co-Investigator	*651,907*
• Facility-Based Review of Neonatal Deaths in SCANUs: An Analysis of Causes of Death, Facility Readiness, Clinical Care Practices, and Health-System Gaps	Co-Principal Investigator	*18,700*

8. Training & Professional Development

• Training on Basic Epidemiology and Biostatistics by icddr,b	**10 Days**
• Training on Good Clinical Practices by icddr,b	**3 Days**
• Training on Results Based Management by icddr,b	**5 Days**
• Training on Research Protocol Development by icddr,b	**5 Days**
• Training on Understanding Bangladesh Demographic & Health Survey Data by USAID & D4I	**5 Days**
• Training on Introduction to Longitudinal Data Analysis by USAID & D4I	**5 Days**
• Training on Effective Coverage of health Services by USAID & D4I	**5 Days**
• Training on Malnutrition Screening and Counseling by UNICEF	**1 Day**
• Training on Design & Implementation of Intervention by UNICEF	**2 Days**
• Training on Planning & Designing of Community Nutrition Assessment by UNICEF	**5 Days**

9. Conference Presentations

- **Three abstracts** were **accepted and presented** at **56th** **Annual Meeting of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition (ESPGHAN)- 2024**
  - Trends of Childhood Composite Index of Anthropometric Failure (CIAF) Prevalence and Determinants in Bangladesh: Insights from Bangladesh Demographic and Health Surveys
  - Trends and Pattern of Socioeconomic Inequalities in Maternal Malnutrition in Bangladesh: Evidence from Bangladesh Demographic and Health Surveys
  - Trends and Pattern of Socioeconomic Inequalities in Child Malnutrition in Bangladesh: Evidence from Bangladesh Demographic and Health Surveys

  Available at: **https://onlinelibrary.wiley.com/doi/10.1002/jpr3.12073**

- **One** abstract was **Finalist (top 10)** at the National Conference 2023: Sexual and Reproductive Health and Rights in Bangladesh (NCSRHR2023) organized by Advancing Sexual and Reproductive Health and Rights (AdSEARCH) by icddr,b on 3 May 2023, in Dhaka.
- **Four abstracts** were **accepted and presented** at **Consortium of Universities for Global Health (CUGH)- 2025**
  - Assessing the Availability and Readiness of Health Facilities to Provide Emergency Obstetric Care (EmOC) Services in 8 Low- and Middle-Income Countries (LMICs): Insights from Nationally Representative Service Provision Assessment Surveys
  - Stakeholder Based Research Priorities in Sexual and Reproductive Health and Rights for Bangladesh using CHNRI method: An icddrb Initiative
  - Postnatal Care (PNC): A Comprehensive Review of Indicators, Coverage Estimates, Determinants, and Variations by Place and Provider Across Different PNC Stages
  - Availability, Appropriateness and Completeness of Newborn Weights at Special Care Newborn Units (SCANUs) in Bangladesh

10. Editorial Responsibilities

- Academic Editor at **PLOS ONE** **September, 2023 to Present**
- Academic Editor at **PLOS Global Public Health** **March 2024 to Present**

11. Awards & Honours

- **Young Investigator Award** at 56th Annual Meeting of the European Society for Paediatric Gastroenterology, Hepatology and Nutrition (ESPGHAN)
  - Awarded a certificate for an abstract and a travel grant.

12. Scientific Publications

First Author Publications (13 Articles)

Maternal, Nutrition and WASH

1. **Abu Sayeed**, Saha N, Sajib MR, Keats EC, Mahmood HR, Hossain L, Akter E, Lucky N, Jahan E, Raza S, Rahman F. Availability and readiness of health facilities to provide emergency obstetric care in eight low-and lower-middle-income countries: insights from nationally representative health facility surveys. BMJ Global Health. 2026 Jun 26;11(6) **(Q1; IF-5.8)**
2. **Abu Sayeed**, Saha N, Aratrika A, Akter E, Mahmood HR, Hossain L, et al. Trends of Childhood Composite Index of Anthropometric Failure (CIAF) Prevalence, Determinants, and Inequity in Bangladesh: Insights from Bangladesh Demographic and Health Surveys. Public Health Nutrition. 2026;1–29. doi:10.1017/S1368980026101931 **(Q1; IF-3.0)**
3. **Abu Sayeed**, Saha N, Ameen S, Akter E, Hossain L, Hasan MM, Rahman F, Raza S, Ether ST, Saberin A, Ashrafee S, Alam HMS, Saha PK, Haider S, Sarkar S, Mahmud M, Islam MJ, Salam SS, Nahar Q, Arifeen SE, Ahmed A, Rahman AE. Setting stakeholder-led research priorities for advancing Sexual and Reproductive Health and Rights in Bangladesh using CHNRI method: an icddr,b Initiative. J Glob Health. 2025;15:04186 **(Q1; IF-4.3)**
4. **Abu Sayeed**, Saha N, Akter E, Hasan MM, Pickard A, Hossain AT, Ameen S, Jabeen S, Islam TT, Hossain L, Raza R, Tanvir KM, Rahman F, Jahan F, Alam MA, Arifeen SE, Rahman AE, Ahmed A. Measuring progress in availability and readiness of Basic Emergency Obstetric and Newborn Care (BEmONC) services in Bangladesh, 2014-2017. PLOS ONE. 2024 Nov https://doi.org/10.1371/journal.pone.0314116 **(Q1; IF-2.6)**
5. **Abu Sayeed**, Akter E, Chowdhury PB, Islam MS, Hossain L, Karmoker R, Rana R, Saha M, Hasan MT. Contribution of socio-economic and demographic factors to maternal and child malnutrition in Bangladesh: Insights from a nationwide survey. Nutrition and Health. 2023 Sep 12:02601060231200521. **(Q3; IF-1.4)**
